11th Annual Oxford Bone Infection Conference

Welcome to OBIC 2024! We are happy to announce the 11th Annual Oxford Bone Infection Conference which will take place on 21-22 March 2024 at the Examination Schools in the beautiful city of Oxford.

Audience

The underlying principle of OBIC is multi-disciplinary working. We invite all grades of orthopaedic and trauma surgeons, plastic surgeons, infection specialists, nursing and therapy staff and researchers to attend.

Programme

Internationally renowned speakers will deliver state-of-the-art talks, including the prestigious Cierny-Mader lecture which is invited each year to honour 'excellence and innovation in the multidisciplinary management of bone and joint infection'. The programme will include lectures, workshops and interactive sessions.

Call for abstracts
